Female Mind Games 101

1. **Playing mind games is the woman's natural way to qualify a man's suitability as a mating partner.**

2. What are the mind games that women play on men? Here's a couple...

   - **Making you jump through needless hoops.**
   - Playing victim.
   - **Crying in public (to make you look bad.)**
   - Withholding sex.
   - **Flirting with other guys.**
   - Dressing up… to see other guys.
   - **Delaying response to your calls or texts.**
   - Compliments other guys to piss you off.
   - **Acting dumb and weak so that you do things for her.**

4. **In order to gain an upper hand when a woman plays mind games on you, use Mind Control techniques on her.**

5. When a woman plays mind games on you, she's manipulating you. To win, you've got to manipulate her back.

6. The best way to manipulate a woman (using Mind Control) is to use the **REVERSE-LJBF** method.

Next: The REVERSE-LJBF >>

"REVERSE-LJBF" Method

LJBF stands for *"Let's Just Be Friends"*.

REVERSE-LJBF means that you put a woman who tries to play mind games on you in the friend zone.

- **<u>Step #1</u>: Deliver this line -**

"Listen, I've been thinking about it for some time now. I'm really not ready for a relationship yet. There are so many other important things that I want to do, and other people that I want to meet. So, for now, let's just be friends. OK?

"REVERSE-LJBF" Method

Expect her to respond in one (or more) of these ways:

- **Stare at you blankly, like the proverbial deer in the headlights.**
- **Squirm in her seat.**
- **Throw a tantrum. (Most common)**
- **Cry. (Second most common)**
- **Laugh nervously.**

If she is displaying these signs, then you're making good progress! ☺

Continue to Step 2…

"REVERSE-LJBF" Method (cont'd)

- **Step #2:** Cease contact with her immediately. Stop answering her calls or responding to her texts for three whole days.

- **Step #3:** Answer her call, but confuse the hell out of her by being as vague as possible. Drive her nuts by being nonchalant and somewhat distant.

Proceed to Step 4...

- **<u>Step #4:</u> Ask her out to see you, one-on-one.**

During the meeting, use Fractionation on her.

If you are not familiar with this technique, attend the [Online Masterclass], or [read this guide]. Better still, do both!

Proceed to Step 4...

Bonus Step #5 (not found in the blog article)

After using Fractionation on her, seal the deal with the *"Emptiness"* pattern in order to isolate her from the outside world… and enslave her! Turn the page to learn this pattern…

“Emptiness” Pattern

This pattern is designed as the ideal follow up to Fractionation because it elicits a primal need which is submerged inside every woman’s inner psyche - the need to find the meaning of her existence and what she truly wants out of life.

Using it together with Fractionation is like a combo "one-two" punch which will completely knock down her defenses and get her emotionally addicted to you... so that she won't even think of using mind games on you in the future in fear of losing you.

In the next page, you will find a simplified version of the original Emptiness Pattern as found in the Shogun Method. This should get you started, but for the full version, see the core Shogun Method program.

“Emptiness” Pattern - Verbatim

Sometimes when you stop and observe some really successful people who seem to have everything, don’t you notice that they seem to be pretty lonely and somewhat hollow? Most people are looking for a reason to live, you know, to fill the emptiness inside their soul... whatever that may be, it’s the thing that makes you feel complete.

When you finally find something to fill the void, it's right in front of you. And that's when you know what you've been missing all your life.

(Subtly point to yourself to anchor the last sentence to you.)

What's Next...

The techniques I've shared with you are just the tip of the iceberg when it comes to Mind Control seduction.

This guide will get you off a flying start, but to do well, you'll need a full suite of Mind Control tactics in order to control and dominate a woman completely.

After all, you don't really want to "attract" or "seduce" her...

... instead, you'll want to enslave her emotionally to you since you want to keep her for as long as you want, minus the usual headaches and frustration.

And this is what a Mind Control system such as the Shogun Method can do for you.

To learn how to enslave any woman and put her under your dominance using Mind Control, check out the Shogun Method –
