Boyfriend Destroyer 101

1. **Warning:** before you use Boyfriend Destroyers on a woman, be prepared for trouble. Stealing girlfriends is no laughing matter.

2. Boyfriend Destroyers will be useful to you in these circumstances -

    1. You like a woman, but she's already attached. You want her to leave her boyfriend for you.
    2. Your girlfriend (or wife) wants to you leave you for another man.
    3. You want to protect your girlfriend (or wife) from another man who may use Boyfriend Destroyers (or the Shogun Method) on her.

3. The best way to completely destroy a man in a woman's mind is to use **Mind Control** techniques. For a **free** online Masterclass (conducted by Derek Rake, the founder of Shogun Method), click here.

Derek Rake's "Prophesy" Strategy

Step #1: Apply reverse psychology.

Sample script:

> ***You're entirely free to go with him. I want you to know that. It's entirely your decision to make.***

Continue…

Step #2: Exploit his weaknesses.

Sample script:

"…and yet you should remember that you already know that there are something about him which is not desirable…

…something not ideal… or even something that irritates you about him…

Turn the page…

Step #3: Amplify those weaknesses.

Sample script:

> ***...and if you go with him, you will find more and more about these undesirable things as you find out more about him.***

Analysis: What Happens Next?

Outcome #1: If she is convinced and decides to stay on, you win.

Outcome #2: If she decides to go with the guy, she will discover that what you said is true (this will almost always be the case). Then, you win.

Outcome #3: If she doesn't return, well, you're no worse than before. (Then, use another Boyfriend Destroyer routine on her!)

Bonus Trick (Not Found In The Article) – "Boyfriend Smasher Routine"

Here's the fundamental principle of the Boyfriend Destroyer: question the boyfriend's specific behavior.

Remember that you have got only one objective in mind: to make her *doubt* her relationship - make her question her own feelings for him, and vice versa.

You never want to tell her outright that her boyfriend is bad and you're a better option.

"Boyfriend Smasher Routine" - continued

Instead, you want to create an *imagery* in her mind that **she will be better off with you by contrasting against her current reality** (in a questionable relationship).

In this technique, you'll first isolate her from her boyfriend, and then question his behavior of NOT being with her.

In the end, you'll **contrast** this behavior with an ideal, alternative scenario which will plant stronger seeds of doubt in her mind about her boyfriend.

How to do this? Next…

Word-For-Word Routine

*It's **awesome** to be out on your own or with your friends, but why would he want to be anywhere else in the world... but to be with you and enjoy your company, right here and right now?*

*He **trusts** you and I totally get that, really... but he won't know if you're going to meet some guys who will, you know, try to hit on you and **pick you up**... wouldn't he be just a little, you know, **worried**?*

*Or maybe he's also out with his buddies for a guys' night out, but again, **you don't really know what's he's doing**... is he having a drink with his buddies, or he's out, **picking up women**?*

Next...

Word-For-Word Routine (cont'd)

I'm quite impressed about how ***open*** *he is, but I don't really know if I could let you go on your own just like that... it's not that I don't* ***trust*** *you, but there are certain things that are so important that I just need to be 100% sure...*

Well, I suppose I just don't understand, but if I had a girlfriend like you, then I'd want to be with you as much s possible. I'm sure he's a great guy, and the guy who really cares for your feelings, listens to you and make an effort to really understand you... of course, ***you're the kind of women who will demand that from a guy and you wouldn't settle for less, yes?***

Analysis

See this line:

> *"I'm sure he's a great guy, and the guy who really cares for your feelings, listens to you and make an effort to really understand you... of course, you're the kind of women who will demand that from a guy and you wouldn't settle for less, yes?"*

You're projecting the picture of an **ideal** boyfriend in her mind that is almost *impossible* to live up to. The *"you wouldn't settle for less"* autosuggestion in the end will condition her mind to think that she would indeed be settling for "less" if she would stick to her boyfriend.

What's Next...

The techniques I've shared with you are just the tip of the iceberg when it comes to Mind Control seduction.

This guide will get you off a flying start, but to do well, you'll need a full suite of Mind Control tactics in order to control and dominate a woman completely.

After all, you don't really want to "attract" or "seduce" her...

... instead, you'll want to enslave her emotionally to you since you want to keep her for as long as you want, minus the usual headaches and frustration.

And this is what a Mind Control system such as the Shogun Method can do for you.

To learn how to enslave any woman and put her under your dominance using Mind Control, watch this exclusive Online Masterclass –

I look forward to welcoming you to the worldwide Shogun Method movement.
