# Why Mind Control Works In Seduction

1. For a woman to be happy with a man, she wants to be controlled and dominated by him.
2. In order to seduce a woman, you'll need to use a *special* set of lines or routines which have been proven time and again to turn an independent woman to a docile little kitty which is completely subservient to you.
3. These lines or routines are based on **Mind Control**, and *not* the regular "Pickup Artist" tricks that you may have seen elsewhere.
4. Using Mind Control on women will give you the superpower to quickly attract, seduce and enslave (yes, *enslave*) a woman.
5. A good background on Mind Control is **absolutely essential** to your success as a seducer. Watch this online Masterclass on how to use Mind Control to seduce women by [clicking here](#).

## How To Seduce A Woman With Fractionation

First Step: Ask her this -

*"Think back to an instance when you feel especially happy, joyful and ecstatic. What happened? How did you feel?"*

Make her describe the experience as vividly and as detailed as possible.

**Second Step: Follow up with this question -**

*"Do you remember a time when you felt especially depressed, sorrowful or sad? What happened to you then? How did you feel?"*

Again, get her to describe that experience in vivid detail.

**Third step: tell her a happy story or experience yourself.**

**Fourth step: tell her a sad story or experience.**

**Repeat.**

With enough emotional roller coaster cycles, you'll trick her brain into developing a quick emotional rapport with you. If you do this long enough with her, she'll soon be addicted to you... just like how she can't resist watching chick flicks and soap operas!

## What's Next...

**T**he Fractionation technique I've shared with you is just the tip of the iceberg when it comes to Mind Control seduction.

This guide will get you off a flying start, but to do well, you'll need a full suite of Mind Control tactics in order to control and dominate a woman completely.

After all, you don't really want to "attract" or "seduce" her...

... instead, you'll want to enslave her emotionally to you since you want to keep her for as long as you want, minus the usual headaches and frustration.

And this is what a Mind Control system such as the Shogun Method can do for you.
