## 3 Signs A Girl Is Losing Interest Over Text

- She goes completely silent
  - She takes a longer time to reply
  - She talks about other guys (This one's probably the worst sign of all)
- 

## Reasons She Would Lose Interest In You

- She doesn't feel attracted to you (And this is important -- you don't want her to just "like" you. She needs to feel those "butterflies" for you.)
  - She only sees you as a friend, a text buddy, or someone to rant to (This is usually the result of building too much Rapport over text.)
  - There are other guys in her life who are more interesting and attractive to her (She has lots of guys texting her, and she'll only have time to reply to the ones she's attracted to.)
- 

## How To Make Her Like You Again Using The "Shock And Awe" Technique

- Shock her by sending her a one-word text that's guaranteed to make her angry
  - Awe her by using Fractionation (see last section of this Action Checklist)
-

# Bonus Content

**Women naturally (and rightly) feel skeptical of new men when they meet them. That's why in Shogun Method, we recommend the use of Intrigue Pings, which turn that skepticism into curiosity. Text Intrigue Pings are just that - Intrigue Pings adapted to a conversation over text.**

Text Intrigue Pings involve three texts. The first text message is from you - it's a question or statement that's cut off in the middle.

The second text message is from her - a confirmation that she received your first message, and wants to know what the rest of your question/statement is.

The third text is the rest of your question/statement.

Here's a simple example of a Text Intrigue Ping:

***YOU:** "Hey, I know I shouldn't be asking you this, but"*

***HER:** "What is it?"*

***YOU:** "Have you ever been to the wine bar at 4<sup>th</sup> Street?"*

**Turn the page.**

## Bonus Content, cont'd

Your question/statement could be about anything. Its importance is secondary.

The most important thing is the second text. If she replies to your first text, that means she's curious about you, not skeptical.

And that's the opening you need to start building Rapport over text.

The key, though, is to set up a face-to-face date. After a few texts back and forth, you can say: *"It's a long story actually... I'll check out that wine bar this weekend. If you'll join me there, I'll tell you all about it."*

Remember: Unless you just want to be friends with a woman, don't build too much Rapport. Just build enough to open the window to Attraction, then escalate as soon as you can.

# What Next?

**The techniques I've shared with you are just the tip of the iceberg when it comes to Mind Control Enslavement.**

This guide will get you off to a flying start, but to do well, you'll need a full suite of Mind Control tactics to control and dominate a woman completely.

After all, you don't really want to "attract" or "seduce" her...

... instead, you want to **ENSLAVE** her emotionally to you. You want to keep her for as long as you want WITHOUT the usual headaches and frustration.

And this is what Shogun Method can do for you.
